Now you can make your Apple MessagePad even more valuable and make it work even more efficiently.

Because no matter which MessagePad you have, you can choose from a broad range of accessory products—from connectivity solutions to battery enhancements to storage options. With these optional accessories you can print letters, connect to your personal computer or gain access to information on your network. You can also work for hours without having to change batteries. And you can protect your MessagePad—and its accessories— in a leather carrying case, wherever you go.

Accessories

Newton Press
This easy-to-use software allows you to publish electronic documents such as travel itineraries, reference books or sales charts on your personal computer for viewing and annotating on your MessagePad.

Newton Keyboard
Now you can enter information into your MessagePad with Newton 2.0 or 2.1 as fast as you can type. The comfortable touchtype keyboard is lightweight and portable and comes with an attractive carrying case, so you can take it wher-ever you take your MessagePad. It comes in several international versions.

Newton 9W Power Adapter with adapter plugs
The Newton 9W Power Adapter lets you run your MessagePad using AC power and recharge the NiCad Rechargeable Battery Pack and the NiMH Rechargeable Battery Pack for the MessagePad 110, 120, 130 and 2000. The base adapter meets universal power requirements. Adapter plugs for Europe, U.K. and Australia are included, making this a convenient, universal solution for professionals on the go.

Newton Adapter Plug Pack
Now you can use your Newton 9W Power Adapter anywhere in the world with the Adapter Plug Pack containing adapter plugs for Europe, U.K. and Australia for the international traveler.

Newton Rechargeable Battery Pack
This nickel-metal-hydride battery pack is a cost-effective way to run the MessagePad 2000.
Rechargeable Battery Pack
This rechargeable nickel-cadmium battery pack can be one of the most effective ways to keep your MessagePad, 110, 120 or 130 running.

MessagePad Charging Station
Sit your MessagePad 110, 120 or 130 onto this charging station to run it on AC power while recharging its batteries. You can simultaneously quick-charge its external battery pack in two to three hours.

Print Pack
The Print Pack allows you to use your parallel printer with your MessagePad. It works with most popular laser, dot-matrix, portable ink-jet and thermal printers, as well as with printers compatible with MS-DOS and Windows–based computers.2MB and 4MB Flash Storage Cards Use the 2MB or 4MB Storage Card to increase the storage capacity of your MessagePad, to back up your information and to run more applications.

MessagePad Carrying Case
This leather "book-style" carrying case provides the protec-tion and storage for your MessagePad 110, 120 or 130. There's even room to store your PC Cards, business cards and small notes.

Wireless Communications Case
This case is the all-in-one solution for your MessagePad 110, 120 or 130, cellular phone, wireless PC Cards and various accessories—providing the ultimate in portability, protection, accessibility and design.

MessagePad and Newton Keyboard Leather Carrying Case
This "briefcase-style" , high-grade leather carrying case is the all-in-one solution for your MessagePad 120, 130 or 2000 and Newton Keyboard. Plus, there's plenty of storage space for PC Cards, business cards, keys, various accessories and file folders—providing the best in protection and portability with comfortable handle and adjustable shoulder strap.

MessagePad Telescoping Pen
This pen is designed to fit perfectly into your MessagePad 110, 120 or 130.

MessagePad 2000 Pen
This pen is designed to fit perfectly into your MessagePad 2000.
